

## A New Generation of Education in Europe: From Distance Learning to Virtual Mobility

### UbiCamp Project Final Conference

**Yaşar University**  
İzmir –TURKEY  
4<sup>th</sup> of March, 2015

The final conference of the **“UbiCamp - Integrated Solution to Virtual Mobility Barriers”** project aims to bring together researchers, professionals, policy makers, NGO representatives and students related with virtual mobility and distance learning in Europe.

While the conference will be a unique opportunity to discuss and develop deeper perspectives on virtual mobility and distance learning in Europe, it will also provide a platform for brainstorming by being **open to the participation or/and paper submission** of all interested parties.

**About UbiCamp:** UbiCamp Project is funded by the **European Commission Erasmus Multilateral Programmes** and has been implemented by the consortium of **7 European higher education institutions (HEIs)** as to respond for the need of overcoming the usual barriers for virtual mobility (VM) within HEIs in the EU.

Further information on the UbiCamp project is available at [www.ubicamp.eu](http://www.ubicamp.eu).

## **A New Generation of Education in Europe: From Distance Learning to Virtual Mobility**

### **Call for Papers:**

Researchers and professionals engaged in the areas of distance learning/virtual mobility are welcomed to participate and present papers in the conference. Although it will not be restricted by the list below, the possible submitted papers may address to the following topics\*:
