International video conference

"Introduction to UbiCamp virtual mobility implementation"

June 4, 2014, at 13.00 – 15.00 CET

Video conference moderator – Vytautas Magnus university.

12.30 – 13.00 – technical joining in.

13.00 – 13.10 Short introduction to project and welcome of video conference participants. *Vytautas Magnus University, Lithuania.*

13.10 – 13.50 Short introduction of teachers of UbiCamp subjects offered for virtual mobility. **Teachers at each institution** give 2 minute introduction (**remote classes are invited one by one**) and the following information (*organizers kindly ask teachers to be brief and not exceed the 2 minute slot for presentation of 18 courses all in all*):

 - Name, surname, institution

 - Subject title and the key words of the subject offered

 - The date of the beginning of studies

13.50 – 14:30 Short introduction of students. Remote classes are invited one by one for student presentation. **Each remote class is given 5 minutes** (**to present students as individuals or in groups**) to present:

 - the number of students (if students are presented in groups) - or

 - name, surname, institution, country of the student

 - which subjects are selected by students for virtual mobility and how many students per course (if students are presented in groups)

 - what are student expectations from international virtual mobility exchange.

14.30 – 14.40 **Joining UbiCamp Facebook account** – to follow up preparation for virtual exchange!

14.40 – 15.00 Discussion and further steps! All participants are welcome.

The video conference is implemented in the framework of Lifelong Learning Program Erasmus Multilateral Project

UbiCamp: Integrated Solution to Virtual Mobility Barriers

Project ID: 526843-LLP-1-2012-ES-ERASMUS-ESMO

The seminar is organized by Vytautas Magnus University Innovative Studies Institute, a partner in UbiCamp project.
